Kennametal Inc. (NYSE: KMT) delivers productivity to customers seeking peak performance in demanding environments by providing innovative custom and standard wear-resistant solutions. This proven productivity is enabled through our advanced material sciences and application knowledge. Our commitment to a sustainable environment provides additional value to our customers. Companies operating in everything from airframes to coal mining, from engines to oil wells and from turbochargers to construction recognize Kennametal for extraordinary contributions to their value chains. With annual sales of nearly \$3 billion and approximately 13,000 employees, Kennametal serves customers in more than 60 countries worldwide – with more than 50 percent of these revenues coming from outside North America. Visit us at www.kennametal.com.
