

Kennametal Management Meeting with Financial Community at Credit Suisse Industrials Conference

November 25, 2013

LATROBE, Pa., Nov. 25, 2013 /PRNewswire/ -- Kennametal Inc. (NYSE: KMT) announced today that Vice President and Chief Financial Officer Frank P. Simpkins will meet with various members of the financial community at the Credit Suisse Industrials Conference on Wednesday, December 4, 2013, in New York City.

The related slides will be available on the company's website, www.kennametal.com, through January 3, 2014. Once on the homepage, select "About Us", "Investor Relations", and then "Events".

Celebrating its 75th year as an industrial technology leader, Kennametal Inc. delivers productivity to customers seeking peak performance in demanding environments. The company provides innovative wear-resistant products, application engineering and services backed by advanced material science, serving customers in 60 countries across diverse sectors of aerospace, earthworks, energy, industrial production, transportation and infrastructure. With approximately 14,000 employees and nearly \$3 billion in sales, the company realizes half of its revenue from outside North America, and 40% globally from innovations introduced in the past five years. Recognized among the "World's Most Ethical Companies" (Ethisphere); "Outstanding Corporate Innovator" (Product Development Management Association); and "America's Safest Companies" (EHS Today) with a focus on 100% safety, Kennametal and its foundation invest in technical education, industrial technologies and material science to deliver the promise of progress and economic prosperity to people everywhere. For more information, visit the company's website at www.kennametal.com.
