

## **Kennametal Management to Meet with Financial Community In Boston, New York and Las Vegas at Upcoming Events**

February 19, 2014

LATROBE, Pa., Feb. 19, 2014 /PRNewswire/ -- Kennametal Inc. (NYSE: KMT) announced today that Chairman, President and Chief Executive Officer Carlos M. Cardoso will meet with various members of the financial community in Boston on February 26, 2014.

In addition, Mr. Cardoso will present at the Stifel Industrials Conference in New York City on February 27, 2014. Mr. Cardoso is scheduled to present at 2:45 p.m. Eastern time at this event.

Separately, Vice President and Chief Financial Officer Frank P. Simpkins will meet with various members of the financial community at the upcoming CONEXPO-CON/AGG in Las Vegas on March 5, 2014. Held every three years, this is an international representation of the newest equipment, technology and product breakthrough in construction.

The presentation slides and applicable audio replays will be available on the company's website, [www.kennametal.com](http://www.kennametal.com), through April 4, 2014. Once on the homepage, select "About Us", "Investor Relations" and then "Events."

Celebrating its 75<sup>th</sup> year as an industrial technology leader, Kennametal Inc. delivers productivity to customers seeking peak performance in demanding environments. The company provides innovative wear-resistant products, application engineering and services backed by advanced material science, serving customers in 60 countries across diverse sectors of aerospace, earthworks, energy, industrial production, transportation and infrastructure.

With approximately 14,000 employees and nearly \$3 billion in sales, the company realizes half of its revenue from outside North America, and 40% globally from innovations introduced in the past five years. Recognized among the "World's Most Ethical Companies" (Ethisphere); "Outstanding Corporate Innovator" (Product Development Management Association); and "America's Safest Companies" (EHS Today) with a focus on 100% safety, Kennametal and its foundation invest in technical education, industrial technologies and material science to deliver the promise of progress and economic prosperity to people everywhere.
