Kennametal Inc. (NYSE: KMT) is a leading global supplier of tooling, engineered components and advanced materials consumed in production processes. The company improves customers' competitiveness by providing superior economic returns through the delivery of application knowledge and advanced technology to master the toughest of materials application demands. Companies producing everything from airframes to coal, from medical implants to oil wells and from turbochargers to motorcycle parts recognize Kennametal for extraordinary contributions to their value chains. Customers buy approximately \$2.4 billion annually of Kennametal products and services -- delivered by our 14,000 talented employees in over 60 countries -- with almost 50 percent of these revenues coming from outside North America. Visit us at [www.kennametal.com](http://www.kennametal.com) . [KMT-G]
