

Kennametal Management Meeting with Financial Community at Barrington Research Industrial Conference

May 12, 2009

LATROBE, Pa., May 12 /PRNewswire-FirstCall/ -- Kennametal Inc. (NYSE: KMT) announced today that Chairman, President and Chief Executive Officer Carlos M. Cardoso and Vice President and Chief Financial Officer Frank P. Simpkins will meet with various members of the financial community on Thursday, May 21, 2009, at the Barrington Research Industrial Conference in Chicago. The presentation slides will be available through June 20, 2009, on the company's website, www.kennametal.com. Once on the homepage, select "Investor Relations" and then "Events".

Kennametal Inc. (NYSE: KMT) is a leading global supplier of tooling, engineered components and advanced materials consumed in production processes. The company improves customers' competitiveness by providing superior economic returns through the delivery of application knowledge and advanced technology to master the toughest of materials application demands. Companies producing everything from airframes to coal, from medical implants to oil wells and from turbochargers to motorcycle parts recognize Kennametal for extraordinary contributions to their value chains. As of the prior fiscal year end, customers bought approximately \$2.7 billion annually of Kennametal products and services -- delivered by our 14,000 talented employees in over 60 countries -- with 50 percent of these revenues coming from outside North America.
