Explanation of Responses:

- 1-for-1.
- The stock credits become payable in common stock (i) in the event of a change in control of the company, or (ii) on the date that the reporting person ceases (other than by reason of death) to be a director ("retirement"), unless the reporting person has elected to receive the common stock represented by the stock credits following retirement; provided, however, that the stock credits will not become payable prior to the third anniversary of the date of issuance.
- Option is exercisable in three equal installments, commencing on the first anniversary date of the grant.
