## **Explanation of Responses:**

- 1. On December 18, 2007, the common stock of Kennametal Inc. split 2-for-1, resulting in the reporting person's ownership of the additional shares of common stock reflected on this Form 4.
- 3. The stock credits become payable in common stock: (i) in the event of a change of control of the company; or (ii) on the date that the reporting person ceases (other than by reason of death) to be an director ("retirement"), unless the reporting person has elected to receive the common stock represented by the stock credits following retirement.
- 4. Includes 39.8338 of stock credits acquired pursuant to a dividend reinvestment feature of the Kennametal Inc. Directors Stock Incentive Plan, as amended. The Company maintains a separate Dividend Reinvestment Plan available to its shareholders that satisfies the requirements of Rule 16a-11 of the Securities Exchange Act of 1934, as amended.
