- \* **Note:** It is expected that delivery of the notes will be made to investors on or about June 7, 2018, which will be the third business day following the date hereof (such settlement cycle being referred to as "T+3"). Under Rule 15c6-1 under the Exchange Act, trades in the secondary market generally are required to settle in two business days unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the notes on the date of pricing or on the next succeeding business day will be required, by virtue of the fact that the notes initially will settle in T+3, to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement. Purchasers of the notes who wish to trade the notes on the date of pricing or on the next succeeding business day should consult their own advisors.
- \*\* **Note:** A securities rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time. Each of the security ratings above should be evaluated independently of any other security rating.
